Mr. Langenfeld,

Thank you for outreaching to the Ute Indian Tribe regarding this matter. I have been advised by the Business Committee to refer the planning and set-up for this consultation to Ms. Reannin Tapoof, Executive Secretary. I have copied her on this e-mail and have advised her about the consultation. She will gladly work with you on scheduling and planning the meeting in coordination with the Business Committee. If you have any questions, please contact Ms. Tapoof at 435-725-4056.

Respectfully,

Michelle M. Sabori

Subject: U&O Tribal Consultation

Hi Michelle,

It was great talking with you last week regarding tribal consultation. EPA Region 8 has offered to consult with the Ute Indian Tribe regarding development of a Title V air permit for the Deseret Electric Cooperative – Bonanza Power Plant. The Tribe responded by letter to EPA's offer indicating a desire to enter into government-to-government consultation and requesting that EPA coordinate and consult with the Tribe's Business Committee and general counsel. Copies of EPA's offer to consult and the Tribe's response are attached.

EPA Region 8 would like to set up a meeting with you to coordinate government-to-government consultation with the Tribe's Business Committee and the Tribe's general counsel. Please contact me at Langenfeld.matthew@epa.gov or 303-312-6284 to schedule this meeting.

Thank You,
Matt
